DEVANSH KATKAR

Bachelor Of Technology – CSE-IOT

7 0 0 0 8 1 4 3 4 4

devanshkatkar20@gmail.com

Objective

"I am a CSE–IoT student who enjoys building ideas, learning new technologies, and solving real problems. I want to join a team where I can grow, contribute with my skills, and work on meaningful projects. My goal is to learn, improve, and create solutions that make a real impact."

Education

Course / Degree	School / University	Grade / Score	Year
B.Tech – Computer Science Engineering (IoT & Cyber Security incl. Blockchain)	Prestige Institute of Engineering Management & Research (PIEMR), Indore	Currently Pursuing	2024 – 2028
12th	Marthoma Public School, INDORE - MP Board	73.6%	2024
10th	Marthoma Academy, INDORE(M.P.) CBSE	71 %	2022

Skills

- Technical Skills: C++, HTML/JavaScript, Python, MERN Stack
- Communication Skills
- Teamwork / Collaboration
- Creative Thinking / Innovation
- Leadership Skills
- Quick Adaptability/ Understanding
- Problem Solving

Achievements & Awards

- Participated two times in **Smart India Hackathon** . (Cleared the internal hackathon for SIH2025)
- **Proposed a startup model for next-gen prosthetic limbs at Udhyamita 6.0**, integrating IoT sensors for motion analysis and enhanced user adaptability.
- **GenAI Study Jam –** By Google Developer Group PIEMR
- **WireWars –** 1st Position – Circuit completing competition organized by **Department of Electrical Engineering**
- **Creovate 2026 –** 2nd Position – Mathematics based software developing competition

Projects

1. **3D Shapes Calculator:** Calculates areas and volumes of different 3D shapes **(Using HTML, CSS and Python)**
2. **Virtual Herbal Garden:** A virtual platform to explore everything about Medicinal plants **(Conceptualized)**
3. **Blockchain for Ayurveda:** Using blockchain to provide traceability in ayurvedic products **(Conceptualized)**
4. **Trees & Graph:** A virtual platform to visualize Trees(AVL,BST) & Graphs and preform several operations.

Interests

- **Gaming**
- **Creativity**
- **Exploring New Technologies**

Participation & Events

- **Smart India Hackathon**
- **Startup Idea**
- **Treasure Hunt**
- **WireWars (1st position)**
- **GenAI Study Jams –** GDG PIEMR
- **TechSprint Hackathon 2026-** Google Developer Group PIEMR
- **Creovate –** National Mathematics Day 2025
- **Symbiosis Skill Hackathon 2026 –** By Symbiosis University

Languages

- Hindi — Native / Fluent
- English — Conversational / Working Knowledge
